IRIS'26 In-House Talent Hunt –

Logo Designing Competition

Rules and Guidelines :

- This is an individual participation event.
- Participants must design the logo within the allotted time only.
- The theme or concept will be announced at the start of the competition.
- Any digital design software may be used, such as Photoshop, Illustrator, Canva, or similar tools.
- Use of pre-designed templates, stock logos, or AI-generated logos is strictly prohibited.
- Internet usage is not allowed unless explicitly permitted by the coordinators.
- The logo must be original and created solely by the participant during the competition.
- Designs must align with the given theme and follow basic design principles.
- The final submission should be in PNG or JPEG format unless stated otherwise.
- Participants must submit their work before the deadline. Late submissions will not be accepted.
- Any form of plagiarism will lead to immediate disqualification.
- If a tie occurs, the winner will be decided based on creativity and relevance to the theme. If the tie still remains, the judges' decision will be final.
- The decision of the judges will be final and binding.
